FOR IMMEDIATE RELEASE
March 1, 2010

SCRPA's Railroad Safety Poster Contest is underway in Fullerton schools

More than 13,000 Fullerton School District students in kindergarten through the sixth grade are being invited to participate in the 2010 Railroad Safety Poster Contest.

April 15 is the deadline for students' entries to be submitted to their schools and judging completed for every elementary campus.

Winning posters from each school will be entered into a citywide competition with first-, second- and third-place winners chosen in each of two categories: kindergartners through third-graders and fourth- through sixth-graders.

Those six citywide winners will each receive four round-trip Amtrak tickets to Santa Barbara or San Diego for their families. In addition, they will be awarded cash prizes of \$100, \$75 and \$50, respectively by placement, by the Southern California Railway Plaza Association.

The six top winners and all the schools' winning posters will be displayed in the Fullerton Main Library's Children's Room throughout the month of May. The citywide winning posters also will be on display at Railroad Days 2010 on May 1 and 2 in Brea Downtown.

The 12th annual poster contest is sponsored by the Southern California Railway Plaza Association, Amtrak and Coast Rail Services to promote railroad safety awareness.

Details on entry rules and poster themes are available at each Fullerton elementary school. For more information, see www.scrpa.net email: info@scrpa.net or leave a message at 714-278-0648.
